INDEX.

Subscribers are requested to preserve this index, whether they have their papers bound or not. It will be found of great assistance in case reference being made, at any time, to articles which have appeared during the past six months.

A

Animated Surgical Instruments..... 16
Araroba; Goa Powder..... 51
Alcohol, Our Exports of..... 67
Acid Copavic..... 115
American Cottonseed Oil, Italy and.131-259
Artists's Colors..... 203-235
Alcohol and Cologne Spirits..... 261
Alkalies, Processes of Purifying Oils with..... 331
Aniline and Madder Dyes, Competition Between..... 355
Aniline and Madder Dyes, the Competition Between the..... 357
Alum, Making and Purifying Sulphate of Alumina and..... 358
Alkali and Sulphuric Acid, the Manufacture of..... 388
Are Combinations Impracticable?..... 483
American Varnishes, Exporting..... 483
Adulterated Putty..... 484
Aralea Spinosa, or False Prickly Ash Bark..... 486
An Old Fraud in a New Place..... 515
Acetic Acid from Wood..... 516
Alizarine Monopoly..... 547
Arizona Shellac..... 547
Argol and Cream Tartar..... 548
Ammonia, Improvements in the Manufacture of..... 550
A Representative American Paint Manufactory..... 555
Alum, Its History and Manuf. 580, 614-646
Aconite, The Alkaloids of..... 581
Ammonia from the Air..... 582
Action of Paint Upon Woodwork..... 653
Antimony, Oxide of on the Pacific Coast. 747
Artists' Materials, Trade in..... 781

B

Bronzing iron..... 4
Benzine, Pure..... 42
Bismuth, Elixir of Pepsin with..... 101
Blue Pigments..... 171
Borax, A New Source of..... 326
Beeswax, Characteristic Tests of Vegetable and Artificial..... 331
Bayonne, The Pipe Line Trouble at.... 387
Benzoic Acid..... 550
Botanical Memoranda..... 567
Bichrome Manufacturers, The Competition between..... 709
Benzole and its Derivatives..... 716
Bichromate of Potash as a Tanning Material..... 726
Black Varnish..... 792
Brooklyn Corporations, Taxation of some.....

C

Cottonseed Oil, the Production of..... 3
Coal Tar Colors, History of....29, 101, 133
Cream Tartar, Notes on..... 37
Chloride of Sodium..... 54
Chian Turpentine, Analysis of.....62, 101
Convention of White Lead Corroders... 67
Chemicals, the Use of in Soap Making. 100
Capaivic Acid..... 115
Chromel, Conversion of into Corrosive Sublimate..... 126
Cottonseed Oil, Italian and American.. 131
Chinese Drying Oil, How Made..... 138
Chinese Varnish..... 171
Cottonseed Oil, Detection of in Olive Oil..... 235
Calcium Phosphate, Nutritive Worthlessness of..... 243
Cactus Grandiflora..... 254
Cologne Spirits and Alcohol..... 261
Cinnamon and Cassia, Distinctive Properties of..... 261
Cubeb Report, Questioning Our..... 323
Cottonseed Cake, the Value of..... 324
Citric Acid, Manufacture of..... 324
Cottonseed Hulls, A New Use for..... 368
Citrate of Iron and Quinine..... 382
Cinchona Products, The Manufacture of. 389
Cocoanut Oil, Prospects of the..... 419
Combinations, Are they Impracticable.. 483
Cream Tartar and Argol..... 548
Chemical and Other Notes from Various Foreign Sources..... 581
Combustion, Chemical Generators of... 581
Carbolic Acid Case, Decision in a..... 613
Cryolite and Its Uses..... 621
Carbolic Soap Case, Important Decision in the..... 710
Cocoanut, Cinnamon, Vanila..... 747
Canadian Oil Reports..... 750
Commercial Travelers in the Drug Trade. 813
Defeat of the S. O. Co., The..... 811

CHEMICAL AND SCIENTIFIC NOTES—
Effect of Temperature upon Hydrometers and Thermometers; Simple Method for Determining the Temporary Hardness of Water; On the Officinal Quinia Test of the German Pharmacopoeia.. 748

CORRESPONDENCE—
Weight of Oil and Naval Stores.... 68
Florida Sponges..... 228
The Opium Stock..... 323
Our Remarks on the Sponge Trade. 484
The Treatment of Scalds and Burns in Factories..... 812

D

Dynamite, The Manufacture of..... 38
Divi Divi..... 74
Drying Oil, How Chinese is Made..... 138
Damiana..... 151
Dyeing Mixture from Potato Bugs..... 198
Drugs, The Known Facts of Deteriorations, Adulterations, and Substitutions of.....260, 292
Drugs, The Economic and Commercial Effects of Newly Discovered.... 579
Drug Trade, Fifty Years in the..... 712

E

Exports of Alcohol, Our..... 67
Emery, A Substitute for..... 229
Exports and Imports for 1879-'80..... 356
Expenses of the Standard Monopoly... 356
Exhibits of the Pharmaceutical Convention..... 375
Essential Oils and Perfumes of Algeria. 421
Empty Petroleum barrels—Quotations for..... 515

F

Fluid Extracts, Upward Displacement by Water in the Manufacture of. 11
Free Acids The Determination of in Oils..... 106
Franklin Oil, The recent Strike of..... 137
Flaxseed Crop, The..... 195
Florida Sponge Fisheries, How they are Operated..... 196
Fertilizers, Growth of the Manufacturing Industry..... 228-260
Flaxseed, Impurities in..... 259
Free Fatty Acids in Commercial Oils, Determining the..... 424
False Prickly Ash Bark, Aralia Spinosa. 486
Freezing of the Standard's Pipe Line.. 750
Flaxseed, Exports of..... 779
Flaxseed Statistics..... 811

G

Glycerine Cement..... 17
Glucose..... 37
Goa Powder; Araroba..... 51
Grape Sugar Manufacture, Its Extents and Profits..... 131
Green Pigments..... 139
Guaiac, Some Remarks on Syrup of.... 414
Glycerine, New Therapeutical Uses for. 452
Glass Making in America and Europe.. 517
Green Extracts of the Pharmacopoia, The..... 517
Glue Market, The..... 547
Gold Leaf, The Manufacture of..... 548
Glycerine, The Industrial Uses of..... 580
Grape Vine Oil..... 727
Glycerine, The Advanced Cost of..... 779
Glass Statistics..... 819

H

Hops..... 389
Homoeopathic Remedies..... 780

I

Iron Bronzing..... 4
Instruments, Animated Surgical..... 16
Iodine and the Iodides, The Break in.. 69
Iron Ware, To Test Enameled for Lee.. 126
Italy and American Cottonseed Oil.. 131, 259
Iodine, The Present and Proximate Supply..... 133
Italian Olive Oil Production..... 195
Italy, Cultivation of Sumac in..... 197
Iodide of Potassium, Manufacture of... 230
Indigo Crop, The..... 259
Iodide of Iron, On the Manipulation of Syrup of..... 325
Imports and Exports for 1879-80..... 356
Indigo in Bengal, The Production of... 446
Is the Standard Aware of This?..... 618
Imports for Eleven Months..... 714

L

Lubricants, Some Tests of..... 3
Linseed Oil, The Position of..... 35
Linseed Oil, To Detect Fish Oil in..... 80
Lakes..... 107
London Purple and the Cotton Worm.. 139
Linseed Oil and Electrified Oxygen.... 164
Linseed Oil, The Outlook for..... 291
Laying the Pipes..... 395
London Petroleum Market..... 552
Lowe's Metallic Paint..... 761
Lubricating Oil Factory, A Model..... 787

M

Musk, Curious Source of Supply for... 165
Manufactured Fertilizers Industry, Growth of the..... 228, 260
Monninnia Polystachia..... 262
Menhaden Oil, The Position of..... 355
Madder and Aniline Dyes, Competitions between..... 355, 357
Myrrh, Note on Some "Spurious Gums" Imported with..... 388
Madder..... 395
Metals, Action of Oils on..... 548
Mr. Rockafellar's Foresight..... 745
Morphia and Opium Trade of the United States..... 747
Materials Containing Tannin Used in Japan..... 813

N

Newspaper, A Standard..... 36
Nitrate of Soda..... 67
Nitrate of Soda in Dysentery..... 147
Nitro Glycerine, The Manufacture of... 229
Nitrate of Soda, The Outlook for..... 323
North Carolina Pharmaceutical Ass'n.. 518

NEW PUBLICATIONS—
Colburn, Birks & Co.'s Illustrated Catalogue..... 228
Proceedings of the Penn. Pharmaceutical Ass'n, Third Annual Meeting..... 356
Richardson & Co.'s Cost and Stock Book of Drugs, Chemicals, etc... 746

NEW INVENTIONS—
Medical Compound; Petroleum Distillate for Lubricating Purposes; Paint Can; Manufacture of Artificial Indigo..... 132
Asphalt Varnish; Manufacture of Bicarb Soda; Compound Soap; Paint Can; Vehicle for Paints; White Pigments from Lead Sulphurets..... 164
Compound for Removing Paint and Varnish; Fluid Soap; Still for Refining Petroleum; Process of Manufacturing Alcohol Spirits; Glue Cement..... 228
Medical Compound; Apparatus for Controlling the Boiling of Varnish, etc.; Apparatus for the Manufacture of Nitric Acid; Apparatus for Testing Lubricating Oils; Manufacture of Bicarbonate of Soda..... 515
Reducing the Cold Test of Oils; Process for Purifying Alumina, Bauxite, etc.; Wood-Filling Compound; Preparation of Lime Juice; Paint Composition..... 711
Apparatus for Drying Glue; Apparatus for Evaporating Liquors for the Manufacture of Glue; Oil Press Mat; Manufacture of Aluminous Cake; Manufacture of Chemicals..... 746

O

Oil Cottonseed, The Production of..... 3
Oil of Rose Crop..... 3
Olive and other Oils, Preserving..... 4
Oil Fires, Cause and Prevention of.... 8
Oil of Sage..... 11
Oil Linseed, the Position of..... 35
Opium Speculation, the..... 35
Oil Seal..... 36
Oil Barrels, of Paper..... 40
Oil Tanks, Why They Attract Lightning 69
Oil Fish, to Detect it in Linseed Oil.. 80
Oil Sperm, to Bleach..... 80
Oils, Determination of Free Acids in.. 106
Opium, The Position of..... 163
Oxygen Electrified, Linseed Oil and... 164
Oil Fire at Greenpoint..... 170
Oil Red..... 170
Olive Oil Production, Italian..... 195
Oil Fire, Another..... 202
Oils of Commerce, Analysis of. 202, 229-261
Olive Oil, Detection of Cottonseed Oil in. 235
Oil of Rosemary..... 254
Oive Oil, Preparation of..... 266
Opium, The Stocks of..... 291
Oils, Processes of Purifying with Alkalies..... 331
Oil Committee of the Produce Exchange, The..... 387
Opium and its Cultivation..... 421
Oils, Determining the Free Fatty Acids in Commercial..... 424
Ochrey Paints, The Value of..... 451
Olive Oil, Preparation of..... 491
Oil, Actions of on Metals..... 549
Olive Culture in California..... 615
Opium Speculation, The..... 645
Oil Peppermint, Notes on..... 647
Oil, Cleansing Waste..... 712
Oil from Grape Vines..... 726
Opium Trade in the United States, Morphia and..... 747
Oxide of Antimony on the Pacific Coast. 747

PHARMACEUTICAL ITEMS—
Analysis of Some Hair Dyes..... 28
Remedy for Boils; Corns; To Cure

Intermittent Fever; Remedies for Seasickness; Wine of Tar; Liquids in Homœopathic Solutions; Conversion of Calomel Into Corrosive Sublimate in Mixtures; Remedy for Barber's Itch and Tetter..... 55
Test for Oil Sesame; Hope for a Colored Nose; Citrate of Magnesia; Medical Uses of Wattle Bark; Assinine Questions; Rinacanthus Communis; Coloration of Iodide of Potassium; Diluted Phosphoric Acid..... 87
Blatta Orientalis; Table of Drops; Miscellaneous Formulae; Manipulation of Berberis Aquifolium..119
Uses of Horse Chestnut; Pinus Monophylla; Adulterated Balsam Peru; Havana College of Pharmacy; Carnauba Root; Authelmintic Action of Kamella; Wood Sorrell in Epitheloma.....183
Miscellaneous Formulae; Fluid extract of Rhamnus Frangula; Iodide of Potass and Opium in Rheumatism; Adulteration of Saffron; Podophyllin; Lime Water Spray in Scarletina Sore Throat; Dental Notes; Virtues of Borax; Phosphorus Pills; Elixir of Yerba Santa..... 215
Grains of Paradise.....222
Allcock's Porous Plasters; Castor Beaver; Miscellaneous Formulae; Mandrake; Glauber Salts 247
Pharmaceutical Dangers; Water-Tight Parchment Paper Bags....279
Loss of Weight of Opium; Vaseline Confections; Miscellaneous Formulæ; St. Germain Tea; Spirits of Ants: Syrup of Iodide of Iron; Copaiba Mixture.....311
Miscellaneous Formulae; Remedies for Headache: Petrolina Camphorice; Halloway's Pills; Carob Leaves.....343
Narcotism from Nutmegs; Mucilage; Diarrhœa; Disguising the Taste of Epsom Salts; Pectoral tea.....407
Miscellaneous Formulae; Hall's Solution of Strychnia; Some Perfumery; "Stolen Kisses;" U. S. Pharmacopœia of 1880; Glycerine439
Quinine; Notes on the Essential Oil of Buchu Leaves; A Prescription; Castor Oil for Leather.....471
A Probable Cure for the Opium Habit; Castor Oil Emulsion; Ergot in Pharyngitis; Perfumery; A Perfect Solution of Salicylic Acid; Old Use for a New Drug.....503
Another Antidote for Arsenic; Formulae; Tooth Wash; Cold Cream; Green Color for Confectionery; The New Antidote to Arsenic....535
Glycerole of Cinchona.....567
Formulae; Aromatic Glycerole of Cinchona; Artificial Vanillin from Oil of Cloves; Effects of Oil of Tanzy; Stability of Calomel; Simple way to Make Vermilion.....601
The Cinchona Cure for Inebriety; The Pepsine of Commerce.....633
Simple Test for Aloes; Composition of Diastase; Elixirs.....740
Elixirs.....774
Poisioning by Iodoform; To Administer Podophyllin; Treatment of Acute Alcoholism; Properties of the Red Cedar.....838

Y

Yellow Pigments 43

"The Petroleum World,"

Issued every morning by

The World Publishing Co., Limited.,

TITUSVILLE, PA.

Terms - - - $10 a Year.

Owned and controlled by Oil Producers. Only recognized organ of the producing interest. Daily reports from all parts of the field.

Platform---1st. All the news. 2nd. Perpetual war on the Standard Oil Ring.

A NEW

Druggists' Directory

Compiled by C. S. Martin, price $6. Contains a classified list of Wholesale and Retail Druggists, Manufacturing Chemists, Patent Medicine Manufacturers and Dealers throughout the United States and Canada. We have made a special arrangement whereby we can furnish this work post-paid to subscribers of the Oil, Paint and Drug Reporter at $4 net.

Address

W. O. ALLISON,
42 Cedar Street, New York.
